

REMARKS

In the Office Communication dated January 6, 2009, the Examiner stated that the Response to Non-final Office Action filed September 29, 2008 was not in compliance with 37 C.F.R. §1.121 because claim 1 had an amendment to Structure I, wherein the “J” of the previous claim set had been altered to a tertiary carbon without markings to indicate the alteration. The alteration of claim 1 was an inadvertent typographical error and was not intended as an amendment. Applicant has herein restored Structure I to the form presented in the previous claim set.

In compliance with 37 C.F.R. §1.121, Applicants resubmit only the corrected section of the non-compliant amendment.

Applicants respectfully request that the Examiner consider Applicants’ Response to Non-final Office Action and this Supplemental Response to Non-final Office Action and Response to Notice of Non-Compliant Amendment and allow the application.

CONCLUSION/AUTHORIZATION

Applicants respectfully assert that the claims as amended are in condition for allowance and respectfully request notice to such effect. Should the Examiner have any questions or comments, or need any additional information from Applicants' attorney, he is invited to contact the undersigned at his convenience.

In the event that an additional fee is required for this response, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-0436.

Respectfully submitted,
